

Mike Anastasia Square Dance Class - Definitions for Week 6

ALL 8 CIRCULATE: Typical starting formation - lines or waves. Trailers (dancers facing into the square) walk forward to take the position of the dancer ahead of them. Lead centers (centers facing out) flip over to end in the other center position facing in. Lead ends walk forward in an arc to end in the other end position facing in. Ends in lines or waves. *(If the dancers are already couples, this is the same as couples circulate!)*

BOX THE GNAT: Typical starting formation - man and lady facing. Dancers join right hands with the dancer across from them. The man walks forward and turns 180° to the right to stand in the lady's original position while the lady walks forward under their joined hands and turns 180° to the left to end in the man's original position. Dancers end facing each other in each other's original positions with right hands joined.

COLUMN CIRCULATE: Typical starting formation - columns. The #1 dancers (those facing out of the column) flip over to end in the adjacent position facing in. All other dancers walk forward one position to end in the original position of the dancer in front of them. Ends in columns.

DIVE THRU: Typical starting formation - eight chain. The centers raise their joined hands and walk forward while the ends walk forward under the arch, and the new ends California twirl. Ends in a beginning double pass thru.

TOUCH 1/4: Typical starting formation - facing dancers. Dancers step to a right-hand mini-wave and arm turn 1/4. Ends in a right-hand mini-wave.

WRONG WAY GRAND: Typical starting formation - dancers facing their partners. Same as Right and Left Grand, but with men walking clockwise and ladies walking counterclockwise.

ZOOM: Typical starting formation - box with tandem dancers. Leaders (those facing out of the box of 4) turn away from center and walk in an arc to turn 360° and end behind their starting position, facing the same direction. Trailers (those who start facing into the box) walk forward into the position ahead of them. Ends in a box with tandem dancers.
